

Seeing is Believing!

We want to do more than just say that we appreciate you—so we'll show you how by offering you and your staff **EyeMed discount vision cards**. The card can be used like a coupon at many retail eye care providers nationwide including LensCrafters, Sears, Target and Pearl, as well as many private practice locations. Save on examinations, lenses, even Lasik. The card is not member specific and can be used as often and by whomever you like – so enjoy passing along the great savings!
